Help the Church Preserve its History

The Church History Department actively acquires documents, art, and artifacts to serve the needs of the Church.

We focus on collecting items that contribute significantly to the history of the Church. We seek personal records that contain substantial information regarding individual religious experiences. We also seek historical records produced by wards, stakes, or missions.

Preferred records include:

- Personal or mission journals
- Ward, stake, and mission histories and newsletters
- Other records including histories, correspondence, recordings, and photographs about significant local and global events
- Contact the Church History Department to discuss record donations at 1-801-240-5696 or history@ChurchofJesusChrist.org.
