Tracing Polish Immigrants in The Early 1900s

Where to start?

FamilySearch Wiki - https://www.familysearch.org/wiki/en/United_States_Genealogy

- Polish Section - https://www.familysearch.org/wiki/en/Poland_Genealogy

Major Websites – Ancestry, MyHeritage, FindMyPast and FamilySearch

Catholic Heritage Archives - https://www.catholicheritagearchive.com/

- For Philadelphia Catholic Research (soon Baltimore, and New York)

Polish Archives - https://www.szukajwarchiwach.gov.pl/

- If you have a Village name this can be a useful place to start.

For Finding Census Records based on address. Steven Morse has many tools for finding

immigrants and other people groups that spoke Eastern European Languages.
